Biking to Beat the Odds

Local Bike-A-Thon to Benefit St. Jude's Hospital

Mattapoisett's Amy Rose is someone who tries to make a difference. The ORR High School student has become involved in many charitable events in the past and has parlayed her interest in biking into coordinating this year's Bike-A-Thon to benefit St. Jude's Research Hospital on Saturday, May 14.

Having participated in the event four times in the last few years, she described the event as something which is half-fun, half-work. "It's almost like a walkathon on bikes," she said. "The riders will go out and get sponsors and ride as many laps as they can. The more laps they complete, the more money they raise."

A forerunner in this year's bike-a-thon is Jamie Oliveira, a student at ORR Junior High School and fellow Mattapoisett resident, who already has some 60 sponsors behind him. This will be Jamie's first time participating in the annual event, and he is looking forward to the challenge.

The just under one mile route has been mapped out to course through the center of Mattapoisett, while avoiding the heavier traffic on Route 6. Participants will meet at Center School on Barstow Street at 10:00 am and will travel down Barstow Street, take a right on Church Street to Baptist Street, take a right onto Hammond Street, and return back to Barstow Street.

Although participants will be racing to achieve their personal goal, the final objective will be to raise money for a very worthwhile cause: the St. Jude Children's Research Hospital. Founded by entertainer Danny Thomas, the institution opened its doors to the public in 1962 to combat catastrophic diseases which afflict children. St. Jude's Hospital is a non-sectarian, non-discriminatory institution which covers all costs of care beyond those reimbursed by insurance.

The bike-a-thon program this year is dedicated to seven-year-old Shauna Richters. Shauna was diagnosed with Wilms' tumor, a malignant growth on her left kidney, in December of 1990. Surgery successfully removed the tumor, and Shauna returns to St. Jude's Hospital about every six months for regular check-ups.

She celebrated her last chemotherapy treatment with a present she eagerly looked forward to: a new bike. Shauna is a living example of the successful research, patient care, and educational programs made possible by the bike-a-thon campaign and this internationally-recognized hospital.

Those interested in participating in the Mattapoisett bike-a-thon are encouraged to pick up a registration form at Seaport Pharmacy, Tedeschi's, Show Video, or the Mattapoisett Town Hall. Registrations will be accepted right up until the start of the race on Saturday morning, May 14, at 10:00 am. The top fund raisers will

also be awarded special prizes for their efforts — among them: those who earn \$30 or more in pledges will receive a t-shirt commemorating the event, and those who bring in \$75 or more will receive a gym bag in addition to the t-shirt.

Ms. Rose also hopes to provide other prizes through the generosity and support of local businesses. Anyone wishing to donate prizes to the top pledge gatherers should contact Amy Rose at 758-4692. Your donation will be much appreciated.

Amy is also looking for volunteers to help coordinate the bike-a-thon and to keep bikers on the correct route throughout the event. If you are available to assist in this effort, please call Amy at 758-4692.

In the meantime, enthusiasts are advised to be on the lookout for an army of bikers tooling through the streets of Mattapoisett next Saturday and are encouraged to cheer them on. "We're telling the participants to do what they think they can do," Ms. Rose said. "Even if they only get one sponsor, they'll be helping the cause."

Treasure Trove of History *Friends' Meeting Auction to Include Rare and Historic Gems*

Historical letters, documents and other paper collectibles — ranging from photographs to postcards — will be sold when the Mattapoisett Friends Meeting (Quaker) holds its Fifth "Strictly Paper" benefit auction this Saturday, May 7, beginning at 9:30 am.

Brad Hathaway, a longtime collector of old letters and historical memorabilia, will be spear heading this fifth in a series of auctions at the Meeting House.

"People really seem to like the paper auctions, and they're aren't very many around," he said. "In fact, I don't know of any others which are held in New England."

On the cover: Amy Rose (right) of Mattapoisett is coordinating this year's bike-a-thon to benefit St. Jude's Children's Research Hospital. With her is Jamie Oliveira, also of Mattapoisett, who has gathered the most sponsors for the event thus far. (Photo by Kenneth J. Souza).

The various auctions held at the historic Mattapoisett site over the years have helped fund the building of a new hall, along with a new kitchen and related supplies. Mr. Hathaway noted that the auctions generally generate about \$7,000 to \$10,000 in gross receipts, of which the Friends Meeting makes between \$1,500 and \$2,000.

"A lot of the items we auction off are consigned by the owners," he said. "In most cases, they take 80 percent of the auction price and we keep 20 percent."

Of special interest to collectors in Fairhaven, Mattapoisett, Marion and Rochester will be an 1863 folded letter from New Bedford with a reference to walking to Fort Phoenix and calling on Captain Allen. "They have over one hundred men there now, but all but about thirty-five or forty will be transferred to Clarks Point fort this week," the letter states.

Lot No. 42 is an 1862 bill of exchange headed Port Louis, Mauritius, for \$361.61 and signed by Captain Andrew P. Jenney of the Fairhaven whaling bark *Joseph Maxwell*. Another lot features an illustrated National Bank of Fairhaven check for \$1,000 dated 1865.

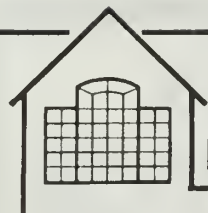

A lot of 28 letters contains correspondence to teacher Eunice Peirce of Rochester from the 1850's from students and relatives, headed variously Randalltown, Squawbetty, and North Fairhaven. None of the correspondence has postal markings. There is also a

shoebox of correspondence to Annie Randall of Mattapoisett (about 125 pieces), including covers with 19th century postmarks.

Lot No. 10 contains five Civil War letters from William Kinney of Mattapoisett, dated 1861-1883, providing nice descriptions of a sailor's life and war action on the Mississippi River and its tributaries. Kinney served on the U.S. gunboat *Benton*.

More than 325 lots will be sold at the auction, beginning at 9:30 am on May 7 in the Meeting Hall — rear of 103 Marion Road (Route 6) in east Mattapoisett. Viewing is planned from 7:00 to 9:00 pm on Friday, May 6 and 7:00 to 9:30 am on Saturday, May 7, immediately preceding the sale. The auctioneer will be Dennis

One thing is certain: the auction provides a unique way of raising money for the Friends Meeting ... and it gives collectors a rare opportunity to find those gems which many people keep hidden in their attics and basements.

"Some people come up with stuff and they tell me they were going to throw it away," Mr. Hathaway said. "Many times, those are the most valuable items."

• Monday, May 9 at 7:00 pm — Board of Selectmen will meet with Cable Advisory Committee regarding the town's upcoming renewal with Continental Cablevision.

Under outgoing correspondence for the week, the board sent a note to the state Department of Public Works regarding the repainting and installation of a crosswalk at the intersection of Barstow Street and Route 6. The request was made at the recommendation of Safety Officer Paul Magee. The board also sent a memo to the town mechanic regarding his weekly hours of work.

Under incoming correspondence for the week, Ms. Adams read a letter from Charles N. Decas regarding property owned by the Decas Real Estate Trust off Old Mattapoissett Neck Road which they are interested in donating to the town's Conservation Commission for passive and recreational use. Selectman Mahoney said he would like to run the information and proposal by Town Counsel before acceptance, which was approved by the board.

Joseph Perkins submitted a copy of his resignation from the Mattapoissett Police Department, effective May 2 at 4:00 pm, to the board. Mr. Perkins has accepted a position with the Town of Lakeville and is regretfully leaving the Mattapoissett department.

Deborah Chase of Screen Works in Mattapoissett sent notice to the board that the business has been sold and will be taken over by Larry and Annellen Zalis, also of Mattapoissett. The business will remain at the same location and will continue to offer the same quality service and product.

Notification was received from Mary L. Padula of the Executive Office of Communities and Development (EOCD), advising area towns that an additional \$1 million in funding has been made available for the Soft Second Loan Program. Attached correspondence also included a copy of

the letter sent from Chairman John N. DeCosta to EOCD supporting the work of the local Marion/Mattapoisett/Rochester Housing Co-Op and asking for further funding for said efforts.

Jo Pannell, President of the Mattapoisett Historical Society, sent the board a letter informing them that arrangements had been made between the Historical Society and Police Chief James F. Moran to store valuable historic items in the event of an emergency (i.e. storm, fire).

At 7:30 pm, the board held a Liquor License Hearing on the petition of Antonio J. and Idalina Martinho of MAR/FIVE, Inc. d/b/a Joseph's Restaurant for an all-alcoholic license at the establishment on Fairhaven Road (Route 6). Both Mr. and Ms. Martinho were present for the hearing and are the new owners of said establishment, formerly known as Joseph's Old Tavern Inn.

There were only a few abutters/residents present for the hearing, an all were in full support of the couple's plans for the new family restaurant, which will serve ethnic food in two dining areas. "We're really kind of limited on space there," Mr. Martinho said. "We plan on keeping it a family-type restaurant ... and we don't plan to do any live (band) music. Maybe just a person on guitar or piano, but no rock bands."

Mr. and Ms. Walter Rusinoski were present for the hearing, and they immediately abut the property in question. "We've gone through it all there," Mr. Rusinoski said. "We're happy with the plans (the Martinho's) have for the place. We'd only ask that you move the dumpster to the other side of the lot (away from our house)."

Mr. Martinho also informed the board that plans are moving ahead to tie-in the establishment with the Fairhaven sewer system. He has been working with Arthur Thompson's Engineering Service to draw up the

plans for a tie-in and hopes to have everything in place by the end of the summer.

"We plan on opening in September, so I hope we can get everything done in time," he said.

There being no further comments or objections, the board then unanimously voted to grant the all-alcohol and common victualler's license to MAR/FIVE, Inc., d/b/a Joseph's Restaurant.

Ms. Adams noted that on July 1 she has to order new beach and wharf stickers for Mattapoisett residents. She said she was concerned about continuing the practice of issuing stickers for two years, as many people have been coming in for new stickers or change cars within that time frame. "Right now we charge \$6 for a two-year sticker," she said. "I'd like to recommend that we go to a one-year sticker and charge \$5. It's also reaching a point where the stickers are costing us money ... I think we could

generate a little more by going to a one-year sticker."

But Selectman Lambalot thought that increase was a bit much. "I'm not in favor of going up that high ... from \$3 to \$5 a year," he said. "I think maybe \$4 a year would be better for now."

Selectman Lambalot also asked if resident over 70 were currently being charged for a beach sticker. When he was informed that they were, he also moved that with the new fee structure in place, they not be charged.

The board thereby unanimously voted to change the issuance of beach and wharf stickers to residents on an annual basis and that the fee be set at \$4 per year. They also approved the waiving of said fee for residents aged 70 years and older.

There being no further matters to come before the board, they unanimously voted to adjourn for the evening at 8:00 pm.

Marion Selectmen's Meeting

May 3, 1994

A regular meeting of the Marion Board of Selectmen was called to order on Tuesday, May 3 at 7:00 pm by Chairman Loretta B. Schaefer. Also present were Selectman Albert E. Winters, Selectman Jonathan "Jody" Dickerson, Executive Secretary Ray E. Pickles, and Secretary Helene Craver.

First on the agenda was the reorganization of the board.

Selectman Dickerson nominated Selectman Schaefer as Chairman of the board. Selectman Winters reminded the board of previous agreements as to the method of selecting the Chairman. Previously, Selectman Winters commented, the second year Selectman would be chosen. Selectman Schaefer reminded Selectman Winters that said pattern has not consistently taken place as Mr. Dougall was in his third year when serving as Chairman. The motion was then seconded by Selectman Schaefer and passed.

The board was further reorganized as follows: Selectman Winters was named to the Water and Sewer Committee; Board Clerk was given to Selectman Dickerson; Parking Clerk was given to Selectman Winters; Mattapoisett River Valley Advisory Committee was also given to Selectman Winters with Selectman Dickerson as alternate; SRPEDD representative was named as Chairman Schaefer; and ORR Finance Advisory Committee was given to Selectman Dickerson.

The board next approved a request from Jean Daniels to acquire an All Liquor License for a wedding to be held on Saturday, July 9, at Washburn Park.

Following the approval of the minutes for the April 26 meeting of the board, Treasury Warrant #44, and the reading of DPW report, the board scheduled a meeting with DPW Superintendent Rob Zora for 8:00 am on Tuesday, May 10.

Executive Secretary Ray Pickles, via memo, informed the board that the Massachusetts Supreme Judicial Court has upheld the Department of Public Utilities' ruling regarding local calling areas. Subsequently, Marion's calling area will not be expanded. Chairman Schaefer suggested to those residents who make frequent calls outside the calling area to contact NYNEX to obtain a 758 number. Ms. Schaefer also commented that the savings would most likely outweigh the fee for obtaining the number.

The board approved Molly Gilbert's request for permission to conduct The Feast of St. Anthony on June 12, 1994 from 12:00 to 6:00.

Helene Craver next submitted a memo addressing the issues raised at the Annual Town Meeting concerning the Annual Town Report. Ms. Craver stated that photographs of town officials, employees or volunteers who have died during the year were discontinued because appropriate photos could not be obtained. Also, the listing of numbers of births, deaths, and marriages, rather than listing the individuals was a policy change. Ms. Craver also sought the permission of the board to write to all contributors requesting they expand their reports if they feel items of additional interest were evident.

Dona M. O'Connor of the Sippican Corporation wrote to request the permission of the board to conduct their annual Fishing Tournament and Barbecue for its employees on Monday, June 6. With the support of Harbormaster George Jennings, the board approved Sippican's request.

The Department of Environmental Protection (DEP) sent notification that Marion is now on the list titled "Department-Approved Composting Programs." This list exempts the town from inspections at disposal facilities for leaves and yard waste. Also, the Department announced a meeting to discuss the plastic and paper recycling rules in

The board next met with Assistant Dog Officer Susan King regarding the placement of a kennel on her Perriwinkle Farm property. Ms. King had previously approached the Planning Board and was told a variance could not be granted as the requirements for home occupation were not met. However, the Planning Board suggested Ms. King approach the board for a recommendation. Ms. King would like to seek out a special permit from the Zoning Board of Appeals.

Ms. King stated she had approached those abutting her property and received no objections to the installation of a kennel. Ms. King would like to install a kennel on her property for the purposes of housing the town's stray animals at a cost of approximately \$7 per day, per animal.

Ms. King submitted a letter from Dr. Tremblay expressing the town's need for kennel facilities. Presently, the animals are sheltered in Ms.

King's barn facilities or Dog Officer Richard Sherman's yard. Indoor facilities, except for their homes, are not available. Ms. King also submitted her preliminary plot plans and a brochure from the company what makes the kennels.

Chairman Schaefer stated the board would take this matter under advisement and that it will seek further information as to its jurisdiction.

Lastly, the board met with the Marion Fourth of July Horse Show Committee and Washburn Park Trustee Ron Winters. The committee first discussed the scheduling problems it has been having this year. The committee has had difficulty in scheduling dates for horse shows with the Washburn Park Trustees.

Also, there have been difficulties scheduling events with the Recreation Committee due to communication problems. Mr. Pickles suggested the Town House take over all scheduling for Washburn Park activities as they have the resources. Mr. Pickles suggested the Town House handle the fee schedule once the trustees prepare one.

The committee also raised the issue of maintenance. Due to the harshness of this past winter, the grounds of the park is in need of repair work to prevent any problems with liability and to retain the reputation of the park as a site for recreational activities, particularly the horse shows. Chairman Schaefer suggested that the committee and the trustees meet to discuss these issues and inform the board of the meetings results.

There being no further matters to come before the board, a motion to adjourn was unanimously approved at 8:13 pm.

Rochester Selectmen's Meeting

May 2, 1994

A regular meeting of the Rochester Board of Selectmen was called to order on Monday, May 2 at 7:00 pm by Chairman David L. Hughes. Also present were Selectman Lorraine Roy Hawkes, Selectman Michael Murphy and Administrative Secretary Shirley A. Ferreira.

After unanimously approving the minutes of the April 25 meeting with some minor corrections, the board met with Rochester's representative to the Tri-Town Housing Co-Op, Fred Underhill. Mr. Underhill noted that the state has made another \$1 million available for the Soft Second Loan Mortgage Program, and the co-op wants to apply for a portion of these funds. The Board of Selectmen agreed to draft a letter to be sent to the Executive Office of Communities and Development (EOCD) requesting some funding for the local program.

Under incoming correspondence for the week, Chairman Hughes cited a copy of a recent Board of Appeals decision for Douglas A. Davis of New Bedford Road to allow an addition to his dwelling. Mr. Hughes also read a letter of resignation from Barbara O'Shaughnessy, who is stepping down from her position as an alternate member of the Board of Appeals for personal reasons. Chairman Hughes moved that a letter of appreciation be sent to Ms. O'Shaughnessy for her past work on the board.

The Planning Board next submitted a copy of a letter sent to Richard Wilmot regarding Springwood Drive. The Planning Board informed Mr. Wilmot that the road would not be accepted until the retention basin is fenced in and the basketball hoop is removed from Town property.

The Board of Selectmen received notification that Town Accountant Claudette Coutu recently scored a perfect 100 on Part I (Legal Portion) of her Certification Exam at UMass Dartmouth. Ms. Coutu is the first person to ever score a perfect 100 on this exam. The board moved to send her a letter of congratulations on this achievement.

Town Counsels Kopelman and Paige, P.C. next sent the board information on expanded authority of towns to enforce payment of taxes and/or fees. Chairman Hughes noted that the town already had by-laws in place governing this matter, but some changes in the law have warranted that they be updated. The board moved that the item be put in a folder for placement on a future Town

Richard E. Kessler of Neck Road next submitted a request for approval of a temporary float dock to be placed in Snipatuit Pond alongside his property pursuant to the provisions of Chapter 91, Subsection 10A of the Massachusetts General Laws. Mr. Kessler asked that the board approve the temporary placement of a float dock and two moorings for the remainder of the 1994 calendar year. The board approved Mr. Kessler's request.

SEMASS also sent a reminder to the board and local residents that due to increasing temperatures, waste that is stored for some time can become odorous, and everyone is advised to take precautions against this potential problem (i.e. keeping bags/trash cans covered and sealed).

At 7:20 pm Lyn DeMoura, Director of the Council on Aging, came before the board to discuss her compensatory time. Chairman Hughes recapped the events leading up to Ms. DeMoura's appearance before the board by noting that they had received a letter from her requesting that she be paid for the time she had put in over and above her 20 hours each week to attend meetings and work on the COA budget. The request was sent to the COA Board of Directors, who returned it to the Board of Selectmen to make the final decision.

"Basically, my feeling is that when you were hired, you were hired as a part-time employee," Chairman

Hughes said. "Part-time employees are not given compensatory time."

But Ms. DeMoura contended that she was following the Personnel Policy that was in place when she was hired and she was never told that she wouldn't be paid for her additional work. "When I was asked to attend meetings that were over and above my regular hours, I was never told I wouldn't be paid for them," she said.

"But when you were hired, the stipulation was that you wouldn't work over 20 hours per week," Chairman Hughes said. "Any meeting you attend should be part of that 20 hours."

Ms. DeMoura noted that other people had been given compensatory time for their additional work — among them, the COA's interim director, Ms. McCarthy — and she felt that it was only fair to employ the same standards in this case. "I feel like I'm being discriminated against," she said. "Ms. McCarthy was paid to fill in as an interim director and now I'm being paid to fill in as a full-time director. You don't see a double standard there?"

But Chairman Hughes noted that Ms. McCarthy was compensated for offering to work the position until a replacement could be found. With that, the board stood by their decision that Ms. DeMoura not be paid compensatory time as a part-time employee. She was encouraged, however, to approach the COA Board of Directors to request additional hours if she felt her duties

Jill Bodeau next came before the board to offer a proposal regarding the purchase of a new, handicapped-accessible van for the Council on Aging. "Ms. Bodeau has done some research for us on the van and has found a Dodge Maxi-Wagon which meets all the requirements of the American Disabilities Act," Chairman Hughes said.

The board thereby unanimously voted to initiate the process of advertising for bids on said van using the specifications as researched by Ms. Bodeau.

At 7:40 pm, an Earth Removal Permit hearing for Edward Zyskowski was continued from February 2. Mr. Zyskowski came before the board and advised them that he would like to convert some of his land into a cranberry

bog. "Mr. Foley (of Pond View Excavating) has a need for excavating materials," Mr. Zyskowski said. "We've come up with a contract agreement that would be agreeable to all parties involved."

The project would involve the removal of some 60,000 cubic yard of soil in each of two phases over the next two years.

The board, however, was only interested in Mr. Zyskowski's application for an Earth Removal Permit, and Selectman Hawkes asked about his outstanding back taxes which need to be paid before the permit is issued. He agreed that the taxes would be paid on the parcel before next week.

Chairman Hughes wanted to know if the board could draw up the Earth Removal Permit with the stipulations they'd like to see by next week and approve it upon payment of the back taxes. But a question was raised as to whether or not Mr. Zyskowski had to pay back taxes on all his property, or just the parcel in question. Selectman Hawkes felt it should only be for the parcel at hand ... but Chairman Hughes interpreted the law as applying to all back taxes.

The board unanimously voted to request an opinion from Town Counsel on this matter and also agreed to continue the hearing next week at 7:00 pm and would work on drawing up the Earth Removal Permit by that time.

Dog Officer Tom Medeiros briefly came before the board to request that fees for unlicensed dogs be increased from \$5 to \$25, and kennel charges be increased from \$7 to \$10 per day, to bring Rochester in line with surrounding towns.

But Town Clerk Naida Parker advised the board

that the fee for unlicensed dogs is governed under the by-laws and would require a Town Meeting vote before being changed. The kennel charge, however, can be set by the Board of Selectmen. The board thereby voted to increase the daily kennel charge from \$7 to \$10 via majority vote, with Selectman Hawkes abstaining.

The board also unanimously approved:

- Application paperwork from the Department of Environmental Protection for a \$3,602 Recycling Equipment Grant.

- Renewal of an Inflammable Fluids Permit for George Leconte of New Bedford Road for an above-ground diesel fuel tank.

Letter to the Editor

To the Editor:

On behalf of the nearly 200,000 Massachusetts
boat owners, the Massachusetts Boating Association, Inc.
is calling upon Sen. Edward Kennedy, Reps. Barney Frank
and Gerry Studds, as well as the entire state Congressional
delegation to intervene in the EPA-IRS diesel fuel tax
regulations slated for implementation this summer which

would restrict or eliminate the availability of marine diesel fuel at coastal fuel docks.

In an amazing piece of tax regulation, the IRS-EPA are requiring that diesel fuel docks stock two different kinds of diesel fuel for marine use: one dyed blue and untaxed for commercial boats, and a separate fuel, requiring the installation of new tanks and which is clear-colored but taxed, for non-commercial boats.

To further compound this economic and bureaucratic horror, IRS prohibits fuel sellers from collecting the tax at the pump, requiring the boat owner to submit the tax separately — *if* fuel sellers can or will go to the expense and red tape of getting permits for a new tank for the new fuel type.

Most fuel docks cannot bear the huge costs of

separate diesel tanks and will offer only one kind of fuel, thus being forced into a situation where they cannot sell fuel to either commercial or recreational boaters. This can result in life-threatening out-of-fuel situations for many boaters, as even now there are many parts of the coast where fuel docks are several hours sailing-time away.

The skipper of a boat caught out in bad weather or at night and running out of fuel can lose his life, and that of his family and crew. This is an immediate threat to boating safety, not to mention freedom of navigation.

The Massachusetts Boating Association will address this issue at its next meeting on Tuesday, May 24 at 7:00 pm in the Marion Music Hall at the corner of Cottage and Front Streets.

Sincerely,

Robert A. Gibbons

the founder of Lions Club International, Melvin Jones, the fellowship is the foundation's highest honor.

It is a recognition of a commitment to humanitarian service. Arthur Blackburn is a member of the Mattapoissett Lions Club, District 33S. He recently received a finely-crafted plaque and lapel pin acknowledging his dedication to the foundation's humanitarian goals. As a Melvin Jones Fellow, Mr. Blackburn becomes a part of a growing network of individuals who are committed to improving the quality of life for people locally and in communities around the world.

Lions Club International is the world's largest service club organization, numbering more than 1.4 million members. As the charitable arm of the association, Lions Club International Foundation acts as steward of the financial resources that are disbursed for humanitarian causes.

ORR Track Fund Update

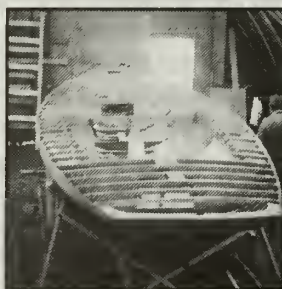

The ORR Track Fund Drive has been in full swing now for about one month and has raised over \$21,000. The ORR Track Committee has been in contact with area businesses, service groups, alumni, and major corporations and have been receiving very positive responses. However, if the goal of \$350,000 is to be reached, they need further financial support. In the next few weeks, businesses in the area will be contacted by phone to answer any questions and to ask for your help. The group appreciates your consideration and donations of any amount are welcome.

The boys and girls track teams recently competed in the South Coast Conference relays and both teams came home with first place trophies. This is quite an

Juniors to Attend Girls State

The American Legion Auxiliary will hold its 49th Annual Massachusetts Girls State at Mount Holyoke College in South Hadley, MA on Saturday, June 11 through Thursday, June 16.

Three ORR Juniors have been selected by the faculty to attend the program. Those selected include: Sarah Lake, who will be sponsored by the Ladies Auxiliary of the Florence Eastman Post 280; Jennifer DeMoranville, sponsored by the Mattapoisett Lions Club; and Faith Wright, sponsored by the Florence Eastman Post 280.

More than 18,000 Massachusetts girls have participated in this citizenship program since its inauguration in 1945. Two hundred and eighty girls from all parts of the state will participate in the week's study of local and state government. They will establish and operate models of both and will form two political parties, nominate candidates for office, conduct campaigns and hold elections.

Speakers will include high state officials, leaders in government and other professions. The girls will learn

scorers for ORR included: Albert Ting, Courtney Hohne, Erica Thrall, David Hiller, and Amelia Thrall.

The team from ORR will be the only school in southeastern Massachusetts to compete in the New England Math Meet this year at Canton High School.
Students Honored for Achievements

The faculty at ORR High School has named the following students as Student of the Month for February through May, as well as a Student of the Year.

Courtney Hohne of Mattapoisett earned the honor of Student of the Month for February; Heather Stroud of Mattapoisett was named Student of the Month for March; Laura Cusick of Marion was named Student of the Month for April; and Susan Voit of Rochester was named Student of the Month for May. The faculty also elected Albert Ting of Mattapoisett as Student of the Year.

The criteria used by the faculty in the selection process includes excellence in scholastics, citizenship, performing arts, fine arts, athletics, and community service. These students will be honored by the Wareham Lodge of Elks at their Annual Banquet in the spring of 1994.

Cornell National Scholar

ORR Principal James Egan was recently informed that Albert Ting of Snowfields Road in Mattapoisett has been selected as a Cornell National Scholar. This award is the most distinguished award made by Cornell University to entering freshmen. Albert is being recognized as being among the very best students who have been accepted at Cornell University for the Class of 1998.

THE IMPORTANCE OF LOCATION

Any Realtor will tell you that the three most important factors concerning the value of a house are: "Location, Location, and Location." Unfortunately, most home buyers ignore this important advice.

Location is especially vital when buying a house for maximum resale value. Statistics say that you will be reselling your home long before the final mortgage payment is in the mail. Therefore, take a long, hard look, not only at the present, but future prospects for the community and immediate neighborhood.

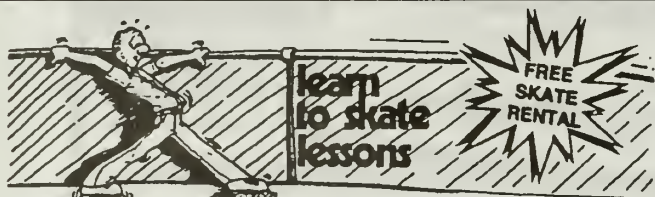

Select a location where raw land and house values have an

increasing price trend. Especially check into the zoning laws for any unfavorable change which could cause depreciation in the value of the neighborhood and the resale price of your home in the near future.

Remember - you can remove, replace or remodel your house, but you can never change the location. So choose carefully.

Call Bob at Fisher & Rocha, Inc., 758-6738 or stop in at our office at 17 Fairhaven Road, Mattapoisett.

Fairhaven. The sale is to be held at JR's Auto Shop parking lot, which is directly across the street from G. Bourne Knowles' Nursery. All proceeds from the sale will go directly to spaying and neutering and/or vaccinating more stray and abandoned cats in the local community.

The group is hoping to educate the community about the overwhelming increase in the unwanted cat population in the area and how this problem can be eliminated. They will also provide information regarding the proper schedule of vaccinations for your pet, as well as the new laws regarding rabies.

The Yard Sale will be a very busy day. The highlight of the event will be the Silent Auction. All items have been donated from local merchants who support the work of Animal Umbrella. A few of the items included will be a pair of Red Sox tickets, certificates for car care, and generous donations from K-mart, Denise's Pet Care, and Towne Florist. The Bake Sale will include goodies from many local bakers, so bring your appetite ... and if you are there at the beginning of the sale, stop by for a fresh cup of coffee before you stroll to the other tables.

Instead of listing all of the available cats for adoption this week, Animal Umbrella will have an Adopt-A-Pet board at the sale. All of the available cats have been posing for photographers all week and will have their heart-warming stories attached to their award-winning pictures. If you are interested in any of the cats or kittens, the group will arrange adoption appointments at this time. If you can not make it Saturday to see the cutest group of kittens and cats, call Tara for the listing at 748-2164.

The Animal Umbrella representatives will be accepting donations for the Yard Sale on Thursday and Friday. If anyone wishes to donate items, please call a representative and they will make arrangements for

Globe Theater Troupe Gala

The Globe Theater Troupe, Inc. of Rochester
cordially invites the public to attend its First Annual Gala
Membership Drive to help kick off the Troupe's 1994
Theater and Fundraising Season and the new Scholarship
Fund on Sunday, May 15 at Gallery X on Spring Street in
New Bedford. The gala will take place from 3:00 to 6:00
pm, and refreshments will be served and prizes will be
raffled throughout the afternoon.

On hand to greet those who attend will be the cast
of the Troupe's upcoming production, "Who's Afraid of
Virginia Woolf?," whose author, Edward Albee, has just
won his third Pulitzer Prize for the current Broadway hit,
"Three Tall Women." Along with Charmayne McKenzie
(Martha), Stephen Gonchar (George), Vincent J. Myette
(Nick), and Sara Aldrich (Honey), other members of the
troupe will be in attendance to discuss past productions,

the new line up of plays, and the benefits of membership in the Troupe.

With this gathering the troupe hopes to round out the company and is eagerly seeking people from all walks of life to join them on stage and behind the scenes. No experience is necessary, just a willingness to learn and an eagerness to participate.

The Globe Theater Troupe, Inc. is a non-profit theater company which has performed over the past seven years at the Rochester Woman's Club and other local theaters, such as the Nemasket Gallery in Fairhaven and the Marion Art Center. The Troupe has received critical acclaim for its work and has been awarded grants based on artistic achievements from the Rochester and Wareham Arts Lottery Councils, the Plymouth County Development Fund, the Massachusetts Cultural Council, and the National Endowment for the Arts.

Prizes for the raffle have been donated by several area businesses. Chances may be purchased at Gallery X, or by contacting the troupe at 291-0865.

Pony Club Dressage Rally

On May 15, the Southeastern Region of the United States Pony Club will be holding a Dressage Rally at Grazing Fields Farm in Bourne, MA. The Cranberry Country Pony Club, a local group, will be sending two teams to compete in this rally.

Dressage, which means "to train," is a classical form of riding and, for the above-mentioned purpose, means that a Pony Club member and his/her mount will perform a test that requires specific maneuvers, according to their level, that shows confidence, control, training, and harmony between the horse and rider.

A Dressage Rally is comprised of many elements. Not only do the children each ride two dressage tests, but

Pre-registration is required. Contestants may register at the Rochester Memorial School on Friday, May 13 and May 20 between 6:30 pm and 8:00 pm. No registrations will be accepted after May 20 at 8:00 pm.

Rules and registration forms may be obtained at Lloyd's Market, the Mattapoisett Pharmacy, the Rochester Fire Station, and also at the two registration sessions. A signed registration form must be submitted by each contestant for a team to be eligible to draw a starting position.

The Boat Race Ham and Bean Supper will be served on the Saturday evening of Memorial Day weekend — May 28 from 5:00 to 7:00 pm — at the Rochester Memorial School. Tickets for the supper may be purchased from boat race contestants or at the door. Proceeds from the supper, along with donations collected on Memorial Day, provide the money for the prizes.

Trophies and prizes will be awarded on Memorial Day at the Rochester Memorial School at 7:30 pm. For further information, please call Boat Race Chairman Arthur Benner at 763-2024.

ORR Junior High School

Survival Program

The fabled Survival Program, an integral part of the ORR Junior High School Health-Science Curriculum in Grade 7, is scheduled to take place from Thursday, June 9 through Wednesday, June 15. The week-long outdoor experience has a rich, twenty-two year history, tracing back to its originators, Jim Hubbard and Carleton Vaughan. Jeff Rodman, the program's current leader, has estimated that nearly 2,000 Grade 7 "survivors" have participated in the program since its inception.

Among those numbers, we suspect there are many who have not continued to use the equipment purchased for the wilderness expedition. Backpacks, cooking utensils, and other related camping equipment are being sought by the Survival Advisory Committee to ensure that all of the young people who wish to participate in the program will have the means to do so. If it is possible for you to donate or loan such equipment to our Survival Equipment Pool, the committee would appreciate hearing from you. Please

Author Comes to Center School

Author/Illustrator Gregory Maguire will be at Center School for a four-day residency on May 9 through May 11. He will be working with Grades K - 3 during his

stay and will be doing assemblies, process writing workshops, and conducting individual meetings with the students concerning their written work.

Mr. Maguire was at the school for a residency three years ago and was enjoyed by both students and staff alike. He resides in London, England. His works include picture books, fiction, short stories, essays and criticism. He has a new novel which will be published this spring titled *Missing Sisters*. The Center School staff is pleased he is able to come to the school this year.

Mr. Maguire has consented to share an evening with the students' parents. This will be held on Tuesday night, May 10. During this time he will share his thoughts on becoming an author, his experiences, and a reading of his work. We hope that you will be able to join us and meet the author your children have spent time learning with during his residency.

Mattapoisett Historical Museum

In Search of Summer

"The Good Old Summertime" is to be the theme of the July special exhibit at the Museum and Carriage House this summer. The staff is looking for old bathing costumes (that's what they used to be called), sand toys, photos of the beaches from earlier days, and the like. The exhibit will focus on summer in Mattapoisett in the early 1900's ... so dig in the attic and see what you can find. If you have anything, please call the museum at 758-2844.

Looking ahead to August: that special exhibit will be "What Mattapoisett Collects." Here's a chance to show toothpick holders, whatever it is you collect and would be willing to have in our exhibit for the month of August. Again, if you have something you would like to enter, please call the museum (758-2844).

Spring Museum Hours

As of May 1, the Curator will be at the Museum Tuesday through Thursday afternoons, 1:00 to 4:00 pm. If you wish to stop by the Museum for anything, please note this change.

Book Orders

We still have copies of *Mattapoisett and Old Rochester* which we are holding for people. If they are not picked up within the next two weeks, they will no longer be held for you.

Early Release Day

Notice to parents of children in Grades K-12 in the public schools of Marion, Mattapoisett, Rochester and the ORR School District: on Friday, May 6, 1994, there will be an Early Release Day for teachers engaged in curriculum work. On that day, students will be picked up for school at the regular time but will be dismissed according to the following schedule:

- Marion (Grades K-6) — 12:30 pm
- Mattapoisett (Kindergarten) — 10:45 am
- Mattapoisett (Grades 1-6) — 12:20 pm
- Rochester (Kindergarten) — 10:30 am
- Rochester (Grades 1-6) — 12:30 pm
- ORR District (Grades 7-12) — 11:30 am.

Lunches will be served to students in Grades K-12 as usual.

Rochester Resident to Ride for Diabetes

On Sunday, July 10, Jennifer DeMoranville of Rochester will begin a seven-day, 500-mile bicycle tour around New England to benefit the American Diabetes Association. Jen will join cyclists from across the country as they ride from Framingham, MA, up the coast of Maine, through the White Mountains over New Hampshire's Kancamagus Highway, to the Green Mountains of Vermont, back through New Hampshire before returning to Massachusetts on July 16.

Jen has set herself an impressive goal of \$1,000 to be raised before the start of the ride in July. That amounts to raising \$143 for each of the ride's days, \$250 for each of the four states she will ride through, or \$2 for each of the 500 miles that she will ride across New England.

The New England Classic is more than a challenging bicycle tour. Participants will be on the road helping to find a cure for diabetes and its complications. Your support of Jennifer DeMoranville and the American

A powerful prayer to the Holy Spirit -
Holy Spirit, you who solve all problems, who light all roads so I can attain my goals, you who give me the divine gifts to forgive and forget all evil against me, in this short prayer, to thank you for all things and confirm once again that I never want to be separated from you, even in spite of all material illusions. I wish to be with you in eternal glory, thank you for your mercy towards me and mine. The person must say this prayer for three consecutive days. After three days, the favor requested will be granted, even if it may appear difficult. This prayer must be published immediately after the favor is granted without mentioning the favor.
Only your initials shall appear at the bottom. J.A.B.

A powerful prayer to the Holy Spirit -
Holy Spirit, you who solve all problems, who light all roads so I can attain my goals, you who give me the divine gifts to forgive and forget all evil against me, in this short prayer, to thank you for all things and confirm once again that I never want to be separated from you, even in spite of all material illusions. I wish to be with you in eternal glory, thank you for your mercy towards me and mine. The person must say this prayer for three consecutive days. After three days, the favor requested will be granted, even if it may appear difficult. This prayer must be published immediately after the favor is granted without mentioning the favor.
Only your initials shall appear at the bottom. P.A.F.

Sculpture Exhibition

An exhibition of sculpture by Lori Vaccaro Zamansky opens at the Marion Art Center on Friday, May 6 with a reception to meet the artist from 6:00 to 8:00 pm. "The graceful variations or crescendo of rhythm of the bronze is highlighted by the correctness of proportion and treatment of the Verdi Marble ... with a well resolved and balanced kinetic quality," said juror Jose Buscaglia of Ms. Zamansky's "Best in Show" work at the Concord Art Society in 1985.

As a successful artist, Ms. Zamansky has had several notable commissions, the most recent of which is the marble showpiece in the lobby of Flexcon's corporate headquarters. She works from her private studio in Worcester during the winter and at her summer studio in Pietrasanta, Italy.

The one-person exhibit will run through May 28. Gallery hours are Tuesday through Friday, 1:00 to 5:00 pm, and Saturday, 10:00 am to 2:00 pm. Admission is FREE.

Sippican Seniors

The next monthly meeting of the Sippican Seniors will be held at 1:30 pm on Friday, May 13 at the VFW Pavilion in Marion. A vocal group from Tabor Academy under the leadership of Matt Richards, Music Director, will entertain. Refreshments will be served.

Only members who have paid their 1994 dues will be eligible to attend the annual June picnic. Send your dues to Natalie Sullivan or pay them at the May meeting. Anyone reaching the age of 82 before January 1, 1994 becomes a life member and does not have to pay further dues.
